Findings of Fact & Conclusions of Law

The respondent was represented by Nora Brown. The petitioner was represented by Eric Monk. The summonses allege the respondent's failure to maintain the required Certificate of Fitness. The respondent did not deny the allegation and the petitioner confirmed that the matter had been corrected prior to the first hearing date. As such, the petitioner recommended the assessment of the mitigated penalty. The respondent was so advised. There being no argument or evidence presented to either rebut the charged violation or establish a valid defense thereto, the summons is sustained and the mitigated penalty assessed.
