Findings of Fact & Conclusions of Law

The hearing was conducted via telephone conference call on April 8 2025.

Mabel Oghojafor appeared as authorized representative for respondent Yeshinva Mesiuta Arugath. Joanne Guerra appeared on behalf of petitioner FDNY.

The summons charges VC 20, failure to arrange for the hydrostatic pressure test of two FDNY connections. Ms. Oghojafor requested an adjournment to obtain proofs of correction from the respondent. Ms. Guerra stated that the FDNY records indicate that no request has been made by respondent for a date, and no date has been issued, objecting to the adjournment .

The matter went forward.

I credit the summons details and I find that the petitioner has established a valid charge against the respondent. I credit Ms. Oghojafor's testimony and evidence presented, but the respondent has not established a valid defense nor shown timely correction. I find the respondent in violation and impose the standard \$600 penalty.
