Findings of Fact & Conclusions of Law

This hearing was held telephonically on February 13, 2025.

Mabel Oghojafor appeared on behalf of Respondent Ke Ju Contracting Corp. Russell Walker appeared on behalf of Petitioner FDNY.

Petitioner charges VC4, VC5, and VC 8. Additionally, Petitioner charges FC3304.1 and 3 RCNY 3301-01 (C), failure to prevent smoking at a construction site where IO observed an individual smoking on 2nd floor towards back side of building. As the smoking charge was not properly entered into the system, I am not considering it.

Petitioner stated that proof of correction was received per FDNY records, and recommended a mitigated penalty for all VC charges.

Respondent did not deny the charges or provide any rebuttal beyond acknowledging that correction had been submitted.

I credit the summons details and find Respondent in violation of VC4, VC 5, and VC 8. Accordingly, the standard mitigated penalties for each are imposed.
