Findings of Fact & Conclusions of Law

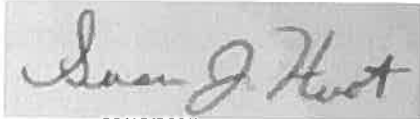

The hearing was held via telephone on 3/17/2025. The respondent appeared by Ms. Mabel Ogbojafor, authorized representative. The petitioner waived appearance via email (Hrg Off 1).

The summons alleges a VC7 violation as outlined on the Supplemental Sheet.

Ms. Ogbojafor did not deny the violation. She stated the condition has been corrected. In support, she submitted photographs depicting the corrected conditions.

I credit the sworn statements in the summons and find the petitioner has established a valid charge. I also credit the respondent's evidence. I find the photographs depict the two required valves have been painted the requested colors. As today is the original hearing date , I find the respondent has timely corrected the violation.

Therefore, I sustain the summons and assess the \$300 mitigated penalty.
