Findings of Facts & Conclusions of Law

Rafeena Khairullah, Esq. appeared for Petitioner and submitted evidence of concrete pouring. Phoebe Dossett, Esq. appeared for Respondent and did not rebut the allegation but said that it had been corrected before the first hearing date and requested a mitigated penalty. She submitted the full SWO rescission in support. Ms. Kairullah recommended a mitigated penalty.

Based on all available credible evidence, I find that Respondent did not have the proper concrete person on site during pouring as required but corrected it before the first hearing date.

Accordingly, the summons is sustained and a mitigated penalty is assessed.
