Findings of Fact & Conclusions of Law

Authorized representative Lance Chebin appears for the Respondent and Inspector Leah Smith appears for the NYC Environmental Protection (DEP). Respondent was charged with a violation of Rule 24-163 of the Administrative Code for the idling of a motor engine for more than three minutes. Respondent's representative does not deny or rebut this claim. The charge for this violation is a \$350 penalty. As such, since there is no rebuttal, I am sustaining the summons and rule violation.

Note that the Petitioner acknowledges this is a first offense, even though the summons states second offense.
