Findings of Fact & Conclusions of Law

The hearing was held via telephone on 7/21/2025. The respondent appeared by authorized representative, Mr. Joshua Santis. Ms. Dantney Parks appeared for the petitioner.

The summons alleges a violation of AC 24-163 for idling a truck with IN License Plate # 3539269 longer than three minutes at 585 Union Street in Brooklyn.

Mr. Santis stated that while the respondent generally denies the violation, he will present no evidence or argument in rebuttal.

I credit the sworn statements in the summons and find the petitioner has established a valid charge. Given Mr. Santis' statement, I find the respondent has not rebutted the charge by a preponderance of credible evidence.

I sustain the summons and assess the \$350 mandated penalty.
