Findings of Fact & Conclusions of Law

Petitioner appeared by DEP representative, Insp. Leah Smith. Respondent, BEST SUPER CLEANING LLC., appeared by its authorized representative, Lance Chebin, to answer a charge of causing or permitting the idling of a motor vehicle while parked, standing or stopped. The violation is charged as a third offense with 2 prior summonses, 000781226P and 000804682H.

Mr. Chebin stated that, while Respondent denied the violation, Respondent could not rebut the facts alleged in the summons. Mr Chebin also stated that Respondent is not contesting the violation being charged as a third offense.

I find that the violating condition existed on the day in question in that Respondent caused or permitted the idling of a motor vehicle while parked, standing or stopped. Therefore, the summons is SUSTAINED as a third offense and the third offense penalty is imposed.
