Findings of Fact & Conclusions of Law

Petitioner did not appear.

The respondent appeared by Joshua Santis, from Nacmias Law. Prior to the hearing he obtained petitioner's evidence from Inspector L. Smith, after reviewing the evidence, he stated the respondent denied the violating condition and did not object to the repeat status of the summons.

The summons charges a second offense of violation of NYC AC 24-163 for idling of motor vehicle for longer than three minutes, NY License Plate 18045ND.

Mr. Santis stated the respondent denied the violation and had no evidence to rebut the details of the summons. I find petitioner established their case. The summons is sustained.
