Findings of Fact & Conclusions of Law

Authorized representative Ilma Babu appears for the Respondent and the Petitioner NYC Department of Environmental Protection (DEP) does not appear. Respondent is being charged with a violation of Rule 24-163 of the Administrative Code for the idling of a motor engine for more than three minutes. Respondent's representative does not rebut this claim, nor does she contest the classification as a second offense. The charge for this violation is a \$440 penalty. As such, since there is no rebuttal, I am sustaining the summons and rule violation. Second offense.
