Findings of Fact & Conclusions of Law

The summons alleges the respondent violated NYC Administrative Code 16-118(2)(a), sidewalk obstruction, at the side of 1301 60th Street Brooklyn on December 22, 2025. Michael Sarbo, Esq., appeared for the respondent. The petitioner DSNY did not appear.

The issuing officer stated in the sworn summons that there was a dumpster on the curb obstructing the pedestrian pathway.

The respondent denied the charge without a rebuttal. I credit the issuing officer's sworn statement in the summons. I find the respondent obstructed the sidewalk as described. The petitioner provided no testimony or other evidence to refute this claim.

Accordingly, I find the petitioner proved its charge by a preponderance of the evidence. I find the respondent is in violation. I impose the standard penalty.
