Findings of Fact & Conclusions of Law

Petitioner NYC Department of Environmental Protection appeared by Michael Grosso and respondent HSP Equipment Rentals appeared by Mabel Oghojafor. The summons alleged a third or subsequent violation of NYC Administrative Code 24-163, observing respondent's motor vehicle idling in excess of three minutes.

Respondent, who had previously reviewed the evidence, denied but did not rebut the charge and did not contest the repeat violation upcharge.

I credit petitioner's evidence and find it supports a third or subsequent violation of the cited section of law. The summons is

sustained and a penalty of \$600.00 is assessed.
