Total Penalty for Summons: 350.00

Findings of Facts & Conclusions of Law

Both parties attended a telephonic hearing on Wednesday, November 6, 2024. Dantney Parks appeared for Petitioner. Chia Han Lin appeared for Respondent and waived the presence of the Issuing Officer.

Respondent denied the allegation without making a rebuttal argument.

Code § 24-163 prohibits idling a motor vehicle engine for longer than three minutes while parking, standing, or stopping unless the engine is used to operate a loading, unloading, or processing device.

Per § 6-12(b) of Title 48 of the Rules of the City of New York (RCNY), the summons details, affirmed by the Officer under penalty of perjury that the Officer verified Respondent's vehicle idled for longer than the statutorily allowed period at the cited date, time, and location based on a review of DEP records, was sufficient to establish Petitioner's prima facie case. See DEP v. Edge Auto, Appeal No. 2301007 (October 26, 2023), see also DEP v. Academy Lines LLC, Appeal No. 1900379 (May 16, 2019).

I credit the summons details. Petitioner stated a prima facie case. Respondent failed to refute the allegations or establish a defense.

Accordingly, the summons is sustained, and a statutory civil penalty of \$350 is imposed upon Respondent.
