Findings of Fact & Conclusions of Law

The summons is sustained.

The Respondent, CABLEVISION SYSTEMS, appeared by its authorized representative, Jon Lin, Nacmias Law Firm. The Petitioner, NYC DEPARTMENT OF ENVIRONMENTAL PROTECTION, waived its appearance.

The summons alleges a violation of NYC Air Pollution Control Code Section 24-163, Idling of a Motor Vehicle engine over three (3) minutes. The Issuing Officer specifically alleges in details of the violation that the charge was based on a Citizen Complaint alleging that Respondent's van with NY license plate #50556MC was idling for longer than three (3) minutes on October 4,

2023 beginning at 12:56:05 PM at 1501 Voorhies Avenue in Brooklyn.

Respondent's representative denied the existence of the violating condition but did not produce any evidence or assert any affirmative defenses to the charge in the summons.

I find on the Petitioner's credible case that the violating condition described in the summons existed and the standard penalty is imposed.

The summons is sustained.
