Findings of Fact & Conclusions of Law

Petitioner NYC Department of Environmental Protection waived appearance and respondent BlueTriton Brands Inc appeared by Mabel Oghojafor. The summons alleged a third or subsequent violation of NYC Administrative Code 24-163, observing respondent's motor vehicle idling in excess of three minutes.

Respondent, who previously reviewed the evidence, denied but did not rebut the charge and did not contest the repeat violation status.

I credit petitioner's evidence and find it supports a third or more repeat violation of the cited section of law. The summons is

sustained and a penalty of \$600.00 is assessed.
