Findings of Fact & Conclusions of Law

MABEL OGHOJA FOR for Respondent, DHL EXPRESS USA INC appeared for a hearing by telephone on February 5, 2025. Petitioner, Department of Environmental Protection appeared by John McLaughlin.

Respondent is charged with a violation of the New York City Administrative Code Section 24-163 (f) for causing or permitting to cause the idling of a motor vehicle engine for more than 1 minute while adjacent to a school.

At the hearing, Respondent's representative states that he has reviewed Petitioner's evidence and denies the charges with no rebuttal.

I credit Petitioner's evidence and find it sufficient to establish the charge. Respondent does not present a valid defense to the charge. Therefore, the violation is sustained, and the standard penalty is imposed.
