Findings of Facts & Conclusions of Law

Petitioner, NYC DEP, did not appear. Respondent, FJD HD Inc, appeared by Chebin. The first hearing date was scheduled for February 19, 2025, today's hearing date. This summons is sustained and the third offense penalty imposed.

Respondent is charged under NYC Administrative Code Section 24-163 in that Respondent was idling a motor vehicle engine for more than 3 minutes as a third offense because of prior summons 14J and 73R.

Respondent denied the charge but provided no rebuttals. I find that the violating conditions existed at time of issuance, and that Respondent established no valid defense. This summons is sustained and the third offense penalty imposed.
