Findings of Fact & Conclusions of Law

Petitioner did not appear. Michael Nacmias, Esq. appeared for Respondent and moved to dismiss the summons, arguing that it doesn't make out a prima facie case of the cited section. It was not clear where the vehicle was, what type it was and if it was in a non-designated area. I agree. Motion granted.

I find that the facts don't make out a clear and concise statement of what and how Respondent is alleged to have violated the cited section.

Accordingly, the summons dismissed.
