Findings of Facts & Conclusions of Law

Summons 000835888P charges a violation of Administrative Code §24-163, prohibiting the idling of a motor vehicle engine for longer than 3 minutes. The hearing was conducted on March 5, 2025. Petitioner appeared through Inspector John McLaughlin. Respondent appeared through authorized representative Lance Chebin.

The summons alleges that a citizen observed a truck with NY license plate 60040NB idling for longer than three minutes, specifically, from 2/16/2024 12:36:41 pm to 12:40:55 pm on East 47th between Madison Ave and 5th Ave. This was charged as a first offense.

Respondent denied the charge, but offered no rebuttal.

Code § 24-163 prohibits idling a motor vehicle engine for longer than three minutes while parking, standing, or stopping, unless the engine is used to operate a loading, unloading or processing device.

The issuing officer's affirmed statement established a prima facie case of the violation. See 48 RCNY § 6-12(b). The burden of proof then shifts to Respondent to refute Petitioner's case or establish a defense. See 48 RCNY § 6-12(a). As Respondent has offered no rebuttal, the summons is sustained.
