Findings of Fact & Conclusions of Law

Authorized representative Lance Chebin appears for the Respondent and the Petitioner NYC Environmental Protection (DEP) does not appear. Respondent was charged with a violation of Rule 24-163 of the Administrative Code for the idling of a motor engine. Respondent's representative does not deny or rebut this claim, nor does he contest the prior violations alleged in the summons. As such, since there is no rebuttal, I am sustaining the summons and rule violation for a third offense.
