Findings of Fact & Conclusions of Law

The summons alleges violation of Title 24 Chapter 1 of the NYC Administrative Code in that respondent caused or permitted idling of a motor vehicle while parked standing or stopped for longer than 3 minutes.

Petitioner, The Department of Environmental Protection, appeared by Datney Parks.

Lance Chebin appeared as an authorized representative for the respondent, DHL Express USA Inc.

Petitioner relied on the sworn statement in the summons and submitted supporting documentation.

Respondent, after viewing petitioner's evidence, denied the violation with no rebuttal.

I credit the undisputed factual allegations in the summons which support a violation of the cited code section. Accordingly, the summons is sustained, and the mandatory penalty is imposed.
