Findings of Fact & Conclusions of Law

The summons alleges a violation of Title 24 Chapter 1 of the NYC Administrative Code in that respondent caused or permitted idling of a motor vehicle while parked standing or stopped for longer than 3 minutes.

Petitioner, The Department of Environmental Protection, did not appear at the hearing.

Lance Chebin appeared as an authorized representative for the respondent, Penske Truck Leasing Corporation, and denied the violation with no rebuttal.

I credit the factual allegations in the summons which supports a violation of the cited code section. Accordingly, the summons is sustained, and the mandatory penalty is imposed.
