Findings of Fact & Conclusions of Law

The hearing on summons number 000846348H was conducted via telephone conference call on June 16, 2025.

Respondent PENSKE TRUCK LEASING CORPORATION appeared at the hearing through authorized representative Lance Chebin. Petitioner Department of Environmental Protection, by supervisor Michael Grosso, waived its appearance given Respondent's intent to deny the matter with no rebuttal.

The Issuing Officer alleges in the summons that Respondent violated New York City Administrative Code 24-163 for idling a motor vehicle engine for more than three minutes. It is indicated as a first offense.

Respondent generally denies the violation but does not refute the charge and does not put forth a defense.

I credit the statements contained in the summons and find a violation of 24-163 as alleged. As Respondent does not refute the charge and does not put forth a defense, the summons is sustained, and the standard penalty imposed.
