Findings of Fact & Conclusions of Law

Nora Brown, authorized representative, appeared for the Respondent. Inspector Leah Smith appeared for Petitioner. Respondent is charged with a violation of §24-163 of the Administrative Code, Idling of a motor vehicle engine for more than three minutes, second offense. Respondent does not dispute the prior violation. Respondent denies the violation with no rebuttal. Respondent has failed to establish a valid defense. I credit the observations of the citizen complainant and evidence entered and find the charge supports a finding of a violation of the section cited as a second offense.
