Findings of Fact & Conclusions of Law

Respondent, PENSKE Truck Leasing Co LP appeared by Lance Chebrin as the authorized representative. The petitioner, DEP via email states that it does not have any representative available to appear, but states that it relies on the face of the summons.

The respondent is charged with a violation of section 24-163 of the NYC Administrative Code for idling of motor vehicle/truck engine with IN license plate no. 2903447 for more than three minutes.

Mr. Chebrin denies but did not rebut the violation.

As the summons states a case, and the respondent has not established a sufficient legal defense to the violation, I credit the facts alleged in the charge. Therefore, the violation is sustained and an approved penalty is hereby imposed.
