Findings of Fact & Conclusions of Law

Respondent, National DCP LLC, is charged with violating NYC Administrative Code Section 24-163, Idling of motor vehicle engine for more than 3 minutes – 1st offense, for a Truck with IN License Plate # 2923786 observed on June 3, 2024, from 11:11 a.m. to 11:14 a.m., at 159 West 50th Street, in New York, New York.

Section 24-163 states that "No person shall or permit the engine of a motor vehicle...to idle for longer than three minutes..." Section 24-163 (f) provides for exceptions when the engine is used to operate a processing device, for mechanical work, or to maintain appropriate temperature for passenger comfort.

At the hearing, John McLaughlin represented Petitioner, NYC Department of Environmental Protection. Michael Sargo, Esq., represented the Respondent, National DCP LLC.

Petitioner relied upon the sworn statement of the Issuing Officer contained in the summons. Mr. Sargo stated that he had reviewed Petitioner's evidence provided to him before the hearing. Respondent denies the violation and offers no rebuttal evidence or defense.

I find that Petitioner's evidence established the violation of the cited Code and Respondent did not present any evidence or defense.

Accordingly, this summons is Sustained.
