Findings of Fact & Conclusions of Law

The hearing was held on August 4, 2025. Lance Chebin appeared on behalf of the Respondent. Senior Insp Dantney Parks appeared on behalf of Petitioner DEP. The summons charges a violation of RCNY 24-163 idling of motor vehicle engine for more than three minutes as a repeat.

Petitioner rests on the face of the summons. Respondent denies the violation and moves to dismiss the summons. Respondent argues the video does not clearly show the engine idling. I do not credit Respondent's general denial on that basis. The summons provides a prima facie case.

Therefore summons sustained. Standard penalty as a repeat imposed.
