Findings of Fact & Conclusions of Law

Lance Chebin appeared as an authorized representative on behalf of Respondent Hugh Okane Electric Co., Inc.

Inspector Leah Smith appeared on behalf of Petitioner, Dept. of Environmental Protection.

Petitioner charges AC 24-163. Petitioner alleges the respondent was observed with its motor vehicle idling while parked standing or stopped in excess of 3 minutes. According to DEP records, a citizen observed respondent's truck with NY Lic. Plate No. 70936MH. (3rd offense). Petitioner alleges prior summonses for AC 24-163: 000738445L & 000733405Y.

Mr. Chebin states that he has previously reviewed petitioner's evidence and respondent denies the allegation with no rebuttal. He does not contest the prior violations.

I do not credit respondent's denial and find it has failed to establish a valid defense. I credit petitioner's evidence and find respondent in violation.

Accordingly, this summons is sustained and a third violation penalty of \$600.00 is imposed.
