Findings of Fact & Conclusions of Law

Respondent, HUGH O'KANE ELECTRIC CO INC, appeared by its authorized representative, LANCE CHEBIN and petitioner, NYC Dept. of Environmental Protection ("DEP") did not appear.

The SUMMONS alleged a third violation of § 24-163 of the Administrative Code of the City of New York for idling a motor vehicle engine for more than three minutes.

Respondent's representative stated that his client disputed the factual allegations but that he could not rebut the prima facie case and presented no defense.

I credit the allegations and find they support a violation of the cited section of law. I do not credit the dispute in fact and find no defense presented.

Accordingly, I find respondent in violation impose the mandatory penalty.
