Findings of Fact & Conclusions of Law

Petitioner, NYC Department of Environmental Protection (DEP) did not appear. Respondent TOMRA-METRO LLC appeared and was represented by Joshua Santis.

The summons alleges a violation of Administrative Code section 24-163 for IDLING OF MOTOR VEHICLE ENGINE MORE THAN THREE MINUTES 1ST OFF

Mr. Santis said Respondent denies the allegations with no evidence in rebuttal.

Pursuant to Administrative Code section 24-163, it is a violation for the engine of a "motor vehicle" to idle for longer than three minutes, unless the engine is used to operate a loading, unloading or processing device.

I find Petitioner established a prima facie case. I credit the summons and find it establishes a violation. I find Respondent did not establish a defense.

Accordingly, the summons is sustained.
