Findings of Fact & Conclusions of Law

Lance Chebin appeared on behalf of the Respondent, Penske Truck Leasing Corporation and John McLaughlin appeared on behalf of the Petitioner, DEP at a remote hearing held on 6/30/2025.

Respondent was charged with idling a truck for more than three (3) minutes at the intersection of E 52nd Street and Lexington Ave, Manhattan in violation of AC 24-163.

AC 24-163 provides that:

No person shall cause or permit the engine of a motor vehicle, other than a legally authorized emergency motor vehicle, to idle longer than three minutes...unless the engine is used to operate a loading, unloading, or processing device.

Mr. Chebin stated that he had reviewed evidence provided by DEP and denied the charge with no rebuttal.

I credit Petitioner's sworn statement and find it establishes a violation of the cited section of law. I also find that Respondent did not establish a defense or rebuttal to the charge.

Accordingly, I find Respondent in violation of the cited section of law and impose the mandatory penalty.
