Findings of Fact & Conclusions of Law

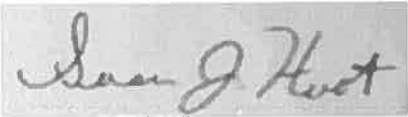

The hearing was held via telephone of 7/14/2025. The respondent appeared by authorized representative, Mr. Lance Chebin. The petitioner did not appear.

The summons alleges a first offense violation of AC 24-163 for idling a truck with IN license plate #3405283 longer than three minutes at the intersection of Bond Street and Union Street in Brooklyn.

Mr. Chebin stated that while the respondent generally denies the violation, he will present no evidence or argument in rebuttal.

I credit the sworn statements in the summons and find the petitioner has established a valid charge. Given Mr. Chebin's statement, I find the respondent has not rebutted the charge.

I sustain the summons and assess the \$350 mandated penalty.
