**Findings of Fact & Conclusions of Law**

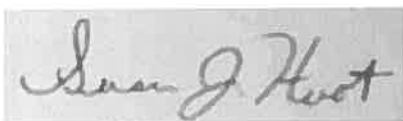

The hearing was held via telephone on 7/21/2025. The respondent appeared by authorized representative, Mr. Joshua Santis. Ms. Dantney Parks appeared for the petitioner.

The summons alleges a violation of AC 24-236(e) for exceeding allowable sound levels emanating from a white Porsche Cayman with NY License Plate # CALL981.

Mr. Santis stated that while the respondent generally denies the violation, he will present no evidence or argument in rebuttal.

I credit the sworn statements in the summons and find the petitioner has established a valid charge. Given Mr. Santis' statement, I find the respondent has not rebutted the charge by a preponderance of credible evidence.

I sustain the summons and assess the \$800 mandated penalty.
