Findings of Fact & Conclusions of Law

Petitioner NYC Department of Environmental Protection appeared by Michael Grosso and respondent Unfi Transport LLC appeared by Nora Brown of the office of Michael Nacmias.

The summons alleged a second violation of NYC Administrative Code 24-163, excessive idling, observing respondent's vehicle idling for a period in excess of three minutes and noting a prior violation.

Respondent denied but did not rebut the charge

I credit petitioner's evidence and find it supports a second violation of the cited section of law. The summons is sustained and a penalty of \$440.00 is assessed.
