Findings of Fact & Conclusions of Law

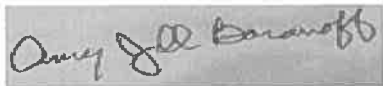

ILMA BABU appeared as the authorized representative of the named respondent. Inspector Gibbs for the Petitioner for the Department. The summons cites a violation of 24-163f.

The Petitioner submitted the idling summons affidavit and complaint, photos, registration information and DOT information.

The respondent denied, but offered no evidence to rebut, the charge.

I find the sworn account of the issuing officer to be credible, and that it establishes the charge. The respondent failed to set

forth a valid legal defense. The summons is sustained.
