Findings of Fact & Conclusions of Law

Attorney Ilma Babu appeared on behalf of Respondent, PENSKE LEASING AND RENTAL, at a hearing on October 30, 2025. Petitioner, Department of Environmental Protection, did not appear.

Respondent is charged with NYC Administrative Code Section 24-163(f).

Summons alleges that Respondent caused or permitted the idling of a motor vehicle parked/standing/stopped while adjacent school... first offense.

Respondent denied the charge but offered no rebuttal.

NYC Administrative Code Section 24-163 provides, in relevant parts, that No person shall cause or permit the engine of a motor vehicle, other than a legally authorized emergency motor vehicle, to idle for longer than one minute if such motor vehicle is adjacent, as determined by rule, to any public school under the jurisdiction of the New York City department of education or to any non-public school that provides educational instruction to students in any grade from pre-kindergarten to the twelfth grade level....

I credit the details of the summons. I find that Respondent did not have a valid defense. I find that the Respondent's vehicle was idle for longer than 1 minute adjacent to a school.

Accordingly, the Summons is sustained and the standard penalty of \$350 is imposed as a first offense.
