Findings of Facts & Conclusions of Law

The hearing was conducted by telephone on Court Call on January 13, 2026. Petitioner was represented by Inspector Dantney Parks. Respondent was represented by authorized representative Ilma Babu.

The summons charged a violation of 24-163 of the Administrative Code, idling a motor vehicle engine for longer than three minutes. Petitioner offered into evidence a redacted idling complaint and supporting images (Exhibit 1). Petitioner also provided a video, which was viewed during the hearing.

Respondent moved to dismiss the summons because the rolldown door was open, and respondent maintained work was being performed or was about to be performed. Petitioner noted the truck did not appear to be equipped with a hydraulic lift.

I do not find that respondent rebutted the allegations in the summons or established an affirmative defense. I credit the summons. The summons is sustained.
