Findings of Facts & Conclusions of Law

Attorney Mr. Nacmais appeared for Respondent. Petitioner did not appear.

Respondent is charged with a violation of 34 RCNY 4-10(d)(7)(v) which states that All Intercity Bus Permit permittees must not stop or stand in its assigned on-street bus stop location except when actively engaged in the pick-up or discharge of passengers.

Respondent moved to dismiss because the wrong section of law was charged. The cited code section regulates intercity buses and where they stop or stand to engage passengers, while the summons fails to allege that Respondent was an intercity bus permittee. Respondent also moved to dismiss the summons for improper service since the affidavit of service was left blank.

I credit Respondent's argument and find that Petitioner has failed to allege sufficient facts to support a violation of the cited code section.

Accordingly, this summons is dismissed.
