Findings of Facts & Conclusions of Law

Respondent, DHL EXPRESS (USA) INC appeared by remote hearing. Respondent was represented by its authorized representative Ilma Babu. Martin Joyce appeared for the Department of Environmental Protection.

The summons charges AC 24-163, idling of a motor vehicle engine for longer than one minute while adjacent to a school, 3rd offense. Mr. Joyce submitted a Redacted NYC Citizen Idling Complaint, four photographs, copies of the prior summonses, and a video from the place and time of occurrence in support of the charge.

Ms. Babu argued that the school is not identifiable to passersby.

I credit the issuing officer's statement and find that Petitioner proved this violation by a preponderance of the evidence. I find that the Respondent has not established a valid defense or rebutted Petitioner's case. I find that the school was easily identifiable as a school.

Accordingly, the Summons is sustained as a 3rd offense, and the Respondent is ordered to pay the \$600.00 penalty.
