Findings of Facts & Conclusions of Law

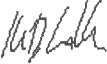

The New York City Department of Environmental Protection did not appear at the hearing, which was held by telephone.

Ilma Babu appeared under oath as the authorized representative of the respondent. She reviewed the evidence and after review, denied the allegations and submitted no defenses nor any evidence.

Respondent is charged with idling of a vehicle, with license plate IN # 3543851 for more than 1 minute while parked, stopped, or standing adjacent to a school under Code 24-163 (f), as a first offense.

I find that petitioner through the sworn summons has credibly established that the cited vehicle was idling for more than 1 minutes while parked, standing or stopped.

Based upon the above credible evidence submitted by petitioner, I sustain this summons and impose the standard first offense penalty.
