Findings of Facts & Conclusions of Law

Petitioner, NYC DEP, appeared by Monica Dorson. Respondent, Hugh O'Kane Electric Co. Inc., appeared by Ilma Babu. The first hearing date was scheduled for November 13, 2025, today's hearing date. This summons is sustained and the second penalty imposed.

Respondent is charged under NYC Administrative Code Section 24-163 in that Respondent was idling a motor vehicle engine for more three minutes. Petitioner is prosecuting this charge as a second offense because of summons 000754296R.

Respondent did not challenge the prior, denied the charge but provided no rebuttals. I find that the violating conditions existed at time of issuance, and that Respondent did not establish a valid defense. This summons is sustained and the second penalty imposed.
