Findings of Fact & Conclusions of Law

The NYC Department of Environmental Protection waived their appearance. Ilma Babu appeared on behalf of Respondent, HUGH OKANE ELECTRIC COMPANY, at a telephone hearing on December 17, 2025. Respondent's representative waived the use of an interpreter, assistance of counsel, the presence of the issuing officer, and a formal reading of the summons.

The summons alleges a violation of NYC AC 24-163: idling motor vehicle engine for more than 3 minutes, in that a citizen observed a truck with NY license plate #58106NE idling for more than 3 minutes on February 24, 2025.

Respondent's representative stated Respondent is denying the allegation and providing no rebuttal.

I find credible the sworn to statement by the issuing officer and find Petitioner established a violation. The summons is sustained. The standard penalty of \$350 is imposed.
