Findings of Fact & Conclusions of Law

The hearing on summons number 000935683J was conducted via telephone conference call on December 23, 2025.

Respondent HUGH O'KANE ELECTRIC CO INC appeared at the hearing through attorney Ilma Babu. Petitioner Department of Environmental Protection, by Michael Grosso, waived its appearance via email due to a lack of available representatives.

The Issuing Officer alleges in the summons that Respondent violated New York City Administrative Code 24-163 for idling a motor vehicle engine for more than three minutes. It is indicated as a second offense.

Respondent generally denies the violation but does not refute the charge and does not put forth a defense. Respondent does not challenge the prior violation.

I credit the statements contained in the summons and find a violation of 24-163 as alleged. As Respondent does not refute the charge and does not put forth a defense, the summons is sustained, and the second violation penalty imposed.
