Findings of Fact & Conclusions of Law

The summons is sustained.

The Respondent, PENSKE TRUCK LEASING CO. LP, appeared by its authorized representative, Ilma Babu, NACMIAS LAW FIRM PLLC. The Petitioner, NYC DEPARTMENT OF ENVIRONMENTAL PROTECTION, appeared by its representative, Inspector, Dantney Parks.

The summons alleges a violation of NYC Air Pollution Control Code Section 24-163, Idling of a Motor Vehicle engine over three (3) minutes. The Issuing Officer specifically alleges in details of the violation that the charge was based on a Citizen Complaint

alleging that Respondent's truck with IN license plate #3268133 was idling for longer than three (3) minutes on December 5, 2024 beginning at 7:17:46 AM on Boerum Place between State & Schermerhorn Streets in Brooklyn.

Petitioner's representative relied on the summons for Petitioner's main case.

Respondent's representative denied the existence of the violating condition but did not present any evidence or assert any affirmative defenses the charge.

I find on the Petitioner's credible case that the violating condition described in the summons existed and the standard penalty is imposed.

The summons is sustained.
