Findings of Fact & Conclusions of Law

This telephone hearing was held on December 22, 2025. Petitioner, NYCDEP, appeared by Representative Antwan Gibbs. Respondent, Penske Truck Leasing Corporation appeared by Ilma Babu, Authorized Representative.

This summons alleges a violation of NYC Administrative Code §24-163 (Idling of motor vehicle). In the summons, the Issuing Officer (IO) affirmed, as verified by a review of DEP records, that on 5/14/2024, a citizen-complainant observed a truck with IN License Plate # 3264404, idling for longer than three minutes.

Mr. Gibbs relied on the sworn statements of the IO in the summons.

Ms. Babu testified that Respondent denied the violation. She did not submit any testimony or evidence to rebut the charge.

NYC Administrative Code § 24-163 states in relevant part that "No person shall cause or permit the engine of a motor vehicle to idle for longer than three minutes, unless the engine is used to operate a loading, unloading or processing device..."

I credit the Issuing Officer's affirmed statements in the summons regarding the citizen's complaint concerning the idling of the engine of Respondent's truck. I further find that Respondent permitted the idling of its engine for more than three minutes while parked and that Respondent did not establish a defense to this charge. This violation is sustained and a penalty of \$350 is imposed.
