Findings of Fact & Conclusions of Law

Petitioner appeared by A. Guzman. Respondent appeared by I. Babu. Petitioner charges Respondent with a violation of NYC AC 24-163. Mr. Guzman submitted documents and video to support the charge (Pet Ex 1). Ms. Babu challenged the video evidence, saying it did not depict the rear of the truck without interruption, and stating people "may" have been working at the cited time. I credit the summons as establishing a prima facie case. I find the video supports the charge. I do not find Respondent has persuasively rebutted the evidence. No further valid defense or evidence was presented. I credit the allegations in the summons and find Respondent was in violation on the cited date. I uphold the violation and impose the standard penalty.
