Findings of Fact & Conclusions of Law

The hearing was conducted via telephone conference call on January 14, 2026.

Ilma Babu, authorized representative for Respondent, appeared at the hearing. No appearance on behalf of Petitioner DEP

The Summons charges code section 24-163(f) for idling of motor vehicle adjacent to school for more than one minute. Respondent's representative generally denied the violation but did not present any rebuttal.

I credit the summons details and find that the Petitioner has established a valid charge against the Respondent. Petitioner

established its prima facie case through the IO's affirmed statement in the Summons. See 48 RCNY § 6-12(b). Once Petitioner established its case, the burden shifted to Respondent to refute the charge or establish an affirmative defense. See 48 RCNY § 6-12(a). Since no rebuttal or defense was given to refute the charge or establish an affirmative defense, I find Respondent in violation and impose the standard penalty of \$350. The Summons is upheld.
