Findings of Facts & Conclusions of Law

Respondent was issued three summonses, all of which, allege a violation of Title 24 Chapter 1 of the NYC Administrative Code in that respondent caused or permitted idling of a motor vehicle while parked standing or stopped for longer than 3 minutes.

Petitioner, The Department of Environmental Protection, did not appear at the hearing.

Ilma Babu appeared as an authorized representative for the respondent, Penske Truck Leasing Co, and denied the violations with no rebuttal.

I credit the factual allegations in the summonses which support a violation of the cited code section. Accordingly, the summonses are sustained, and the mandatory penalties are imposed.
