Findings of Fact & Conclusions of Law

Petitioner, the New York City Department of Environmental Protection, charges Respondent, DHL EXPRESS USA INC, with a violation of Section 24-163 of the New York City Administrative Code for idling of a motor vehicle engine for longer than three minutes.

A telephonic hearing was held on Friday, February 27, 2026. Ilma Babu appeared for Respondent, and waived an Issuing Officer's appearance.

Ms. Babu stated that Respondent denied the allegation without making a rebuttal argument.

Code § 24-163 prohibits idling a motor vehicle engine for longer than three minutes while parking, standing, or stopping unless the engine is used to operate a loading, unloading, or processing device.

I credit the summons details and Petitioner’s evidence. Petitioner stated a *prima facie* case. Respondent failed to refute the allegation or establish a defense.

Accordingly, the summons is sustained, and a statutory penalty of \$350 is imposed upon Respondent.
