Findings of Fact & Conclusions of Law

Ilma Babu appeared as the authorized representative of the named respondent. No appearance for the Department.

The summons cites a violation of 24-163 as a third offense

The respondent did not dispute the priors and denied, but offered no evidence to rebut, the charges.

I find the sworn account of the issuing officer to be credible, and that it establishes the charge. The respondent failed to set forth a valid legal defense. The summons is sustained as a third offense.
